

Pioneer Quilt Camp Fall 2024 Quilting Project

You will need to order your own PDF of the pattern (\$14 CDN) from this link: <https://cluckclucksewshop.com/collections/all-patterns/products/windows-218-pdf-pattern>

This quilt is available in 5 sizes and can be made using jelly rolls, layer cakes or fat quarters.

If you decide to get a jump on the cutting - pay attention if you have directional fabrics - you may need to cut your fat quarters differently. (That's for you, Shirley.)
