

Pioneer Quilt Retreat Spring 2025 Fabric Requirements

Project: No Cutting Required Quilt

Can it be? Yes it is - a "no cutting required" quilt!

When you get to Quilt Retreat, we'll show you how to make this beauty.

You'll need one Layer Cake to make the quilt.

What's a Layer Cake? 10" squares in 42 different but coordinating fabrics (darks & lights).

That's all you need. One Layer Cake will make 30 blocks for a quilt that is 45" x 54" (lap size).

If you want it bigger, use 2 Layer Cakes or add a border.

This makes up so fast you'll want to make 2 on the weekend!
